The screenshot shows the user interface of the 'Graduate Admission Online Interview Platform'. At the top left is the Hohai University logo and name. The main header area has a blue background with the title '研究生招生在线面试平台' (Graduate Admission Online Interview Platform) and the subtitle 'Remote Interview Service Platform'. A prominent '设备检测' (Device Check) button is located in the center-left of this header, with a red arrow pointing to it. To the right is a 3D illustration of a laptop and books. Below the header, a grey bar displays 'Welcome 马' (Welcome Ma) and two online service icons labeled '考生须知' (Candidate须知), '在线客服1' (Online Service 1), and '在线客服2' (Online Service 2). A yellow banner below the welcome message reads '请先检测您的设备!' (Please check your device first!). On the right side, there is a '通知公告' (Notice) section with a red arrow pointing to its title. The bottom of the page features a decorative illustration of a desert landscape with a cactus and a lizard.
